Musical Organizations

College Band. Lebanon Valley College maintains a uniformed band, the membership of which is made up of college and conservatory students. The band contributes to college life by playing at football games, by appearing on several programs during the year, and by providing the musical accompaniment for the annual May Day Fete. Membership in the band is determined by an applicant's ability on his instrument and by the needs of the band with respect to maintaining a well-balanced instrumentation.

Girls Band. This organization is open to girls of the Conservatory and College alike. Membership in this band is determined by the applicant's ability on her instrument, and by the needs of the band with respect to maintaining a well-balanced instrumentation. The group will participate in a Spring concert.

Symphony Orchestra. The Lebanon Valley College Symphony Orchestra is a musical organization of symphonic proportions. Open alike to advanced players from the college and the conservatory, the orchestra adheres to a high standard of performance. Throughout the school year a professional interpretation of a wide range of standard orchestral literature is insisted upon.

College Orchestra. The College Orchestra is open to all members of the Conservatory and College who are sufficiently qualified to belong to this organization.

Glee Club. The Glee Club is a mixed chorus of selected voices. The personnel of the organization, while open to all L. V. C. students, is limited to forty members. During the Spring the club appears in concerts in several communities throughout this section of Pennsylvania. Choral music of the highest type is used intensively.

College Chorus. The mixed chorus is open to all on the campus who are interested in this type of musical performance and who have had some experience in singing.

Instrumental Ensembles. In addition to the larger musical organizations there is further opportunity for advanced players to try out for such ensembles as:

(1) String Quartets

(3) Brass Ensembles

(2) Violin Choirs

(4) Woodwind Ensembles

Radio Broadcasting. Opportunity will be given to advanced music students and musical organizations for experience in broadcasting from

a recognized broadcasting station. This experience will be offered at regular intervals throughout the school year.

Applied Instruction

Voice, Piano, Organ, Chorus, Orchestral and Band Instruments.

The work in the foregoing fields will be organized from the standpoint of the development of musicianship in the individual student. The work continues through eight semesters and assures a well-rounded and many sided acquaintance with various musical techniques.

Junior Department

The Conservatory of Music sponsors a Junior Department especially adapted to children of Elementary or High School age.

This Junior Department offers either private or class instruction in piano and all instruments of the band and orchestra. A desirable number for class instruction is from four to six members.

MUSIC AND THE A. B. DEGREE

The College offers to students of exceptional merit the opportunity under careful guidance of arranging special electives either in work leading to the A.B. degree or the B.S. degree in Music Education (Public School Music), so that upon the attainment of either degree the subsequent degree can be earned by taking two or three semesters additional work.

Music study may be credited toward the A.B. degree to a total of twenty semester hours (five semester hours per year). For such credit the requirements are as follows: Two half hour recitations per week in Applied Music, two hours per day in practice, three hour recitations per week in harmony.

Before entering upon this course of study the candidate must pass the examinations required by the Director of the Conservatory.

A student desiring credit for this course of study is expected to continue the same until graduation. Credit will not ordinarily be granted for a single year of study. Only under exceptional conditions may such credit be granted by the faculty upon recommendation of the Director of the Conservatory.

THE STUDENTS' RECITALS

The students' Tuesday evening recitals are of inestimable value to all students in acquainting them with a wide range of the best musical literature, and in developing musical taste and discrimination. It is of special value to young musicians by affording them experience in appearing before an audience, and thus offering training in self-reliance, nerve control, and stage demeanor.

Students in all grades appear on the programs of these recitals. Each senior is expected to appear in one special graduation recital.

MATRICULATION

A Matriculation Fee of five dollars must be paid by all full-time students who are entering the College or Conservatory for the first time. This fee should accompany the application for admission. If a student's application is not accepted, the fee will be returned.
